2024
- Curtin Head of School  
Commendation - Sem 1,  
2023

# Hi! Hi! Hi!

I'm **Suyun Chen (Suvn)**, a hard-working and solution-driven design student currently pursuing a Bachelor of Design at Curtin University. Confident working independently and comfortable collaborating in team environments. Skilled in **UI design tools and UX methodologies**, and currently building deeper expertise in **front-end development** through hands-on learning and real-world projects.

## EXPERIENCE

### MARKETING MANAGER

Aoyou Network Technology Co, Ltd. | Apr 2017 - Apr 2024

- Managing social media.
- Managing, planning and executing events.
- Developing and executing marketing strategies.
- Building and maintaining relationships with key stakeholders

## UNI PROJECTS

### New Features Design - My Local Service | Mar 2023

Designed a waste recycling feature for the My Local Service SA app.

- Add waste sorting and a manual tutorial on how to reuse waste.
- New features were successfully implemented and met the client's requirements.

### App Function Upgrade - Headspace | Mar 2023

- Contributed to a group project to add a new habit-tracking feature
- Prototyping the pages and interactions using Figma.

### Web Design - Help Me Move | Sep 2022

Designed a user-friendly website for a startup moving company with a business model similar to Uber, where users can buy or provide moving services.

### Web Interface Design - A Higher Place | May 2022

Designed and developed a commercial website for a Perth suburban event venue.
